Wow, I feel like I've missed every deadline this week (and based on this, perhaps several last week)!

I have not; I'll flag it and get to it this afternoon. I appreciate the reminder!

Hi Darcy –
The team developed the attached comparison between UIC Class III proposed requirements (including some thoughts on final permit requirements) and the NRC license requirements, along with cost implications, to help Greg better

Ex. 5 Deliberative Process (DP)

Please let us know if you have any questions or comments before this goes to Greg.

Thanks,
Sarah
